Officer Padilla,

Hope you had a nice weekend!

Can you please stop by 550 Crocker when you are available? There is a person who set up tables and has all of his stuff on the sidewalk and into the street. This is a hazard, and we don't want any accidents to happen. We called CCEA, but they seem to have a difficult time convincing this man to move. In addition, he is within 10 feet of our gate opening, so it would be great if he could move to another area.

There's also another tent that's set up within 10 feet of our gate opening. They also set up a table next to their tent.

As expressed, when we have bigger shipments in containers come in, it gets really tough for the driver to pull through the gates. So, we need to have the black gate area cleared.

Thank you!!

Good morning,

This whole week I was assigned to the Teacher's Strike and was unable to respond to any requests. I will be back to this area on Tuesday. Like I said before, If I am not here you can call the non emergency line at 1-877-ASK-LAPD and they will dispatch a unit to you.

Thank you,

Officer Padilla,

There is now a huge tent in front of our gate. I believe the lady who was staying there found a bigger tent. This tent is disrupting the flow of traffic (it's already impossible but literally we are being trapped), and there is so much additional trash accumulating here.

Our mailman/woman gets very scared to put our mail in our box because the tent is right next to it.

We don't want more tents blocking our gate, and if the tent is there, we will for sure start to have more tents in front of our gate.

Please help us!

Thank you!
